Vítej na letním juniorském soustředění v Go !

Do tohoto sešitu si můžeš zapisovat a
zakreslovat všechny poznámky, které
Tě při lekci napadnou.

Dále zde najdeš spousty důležitých
pouček, které Ti pomohou při hře.

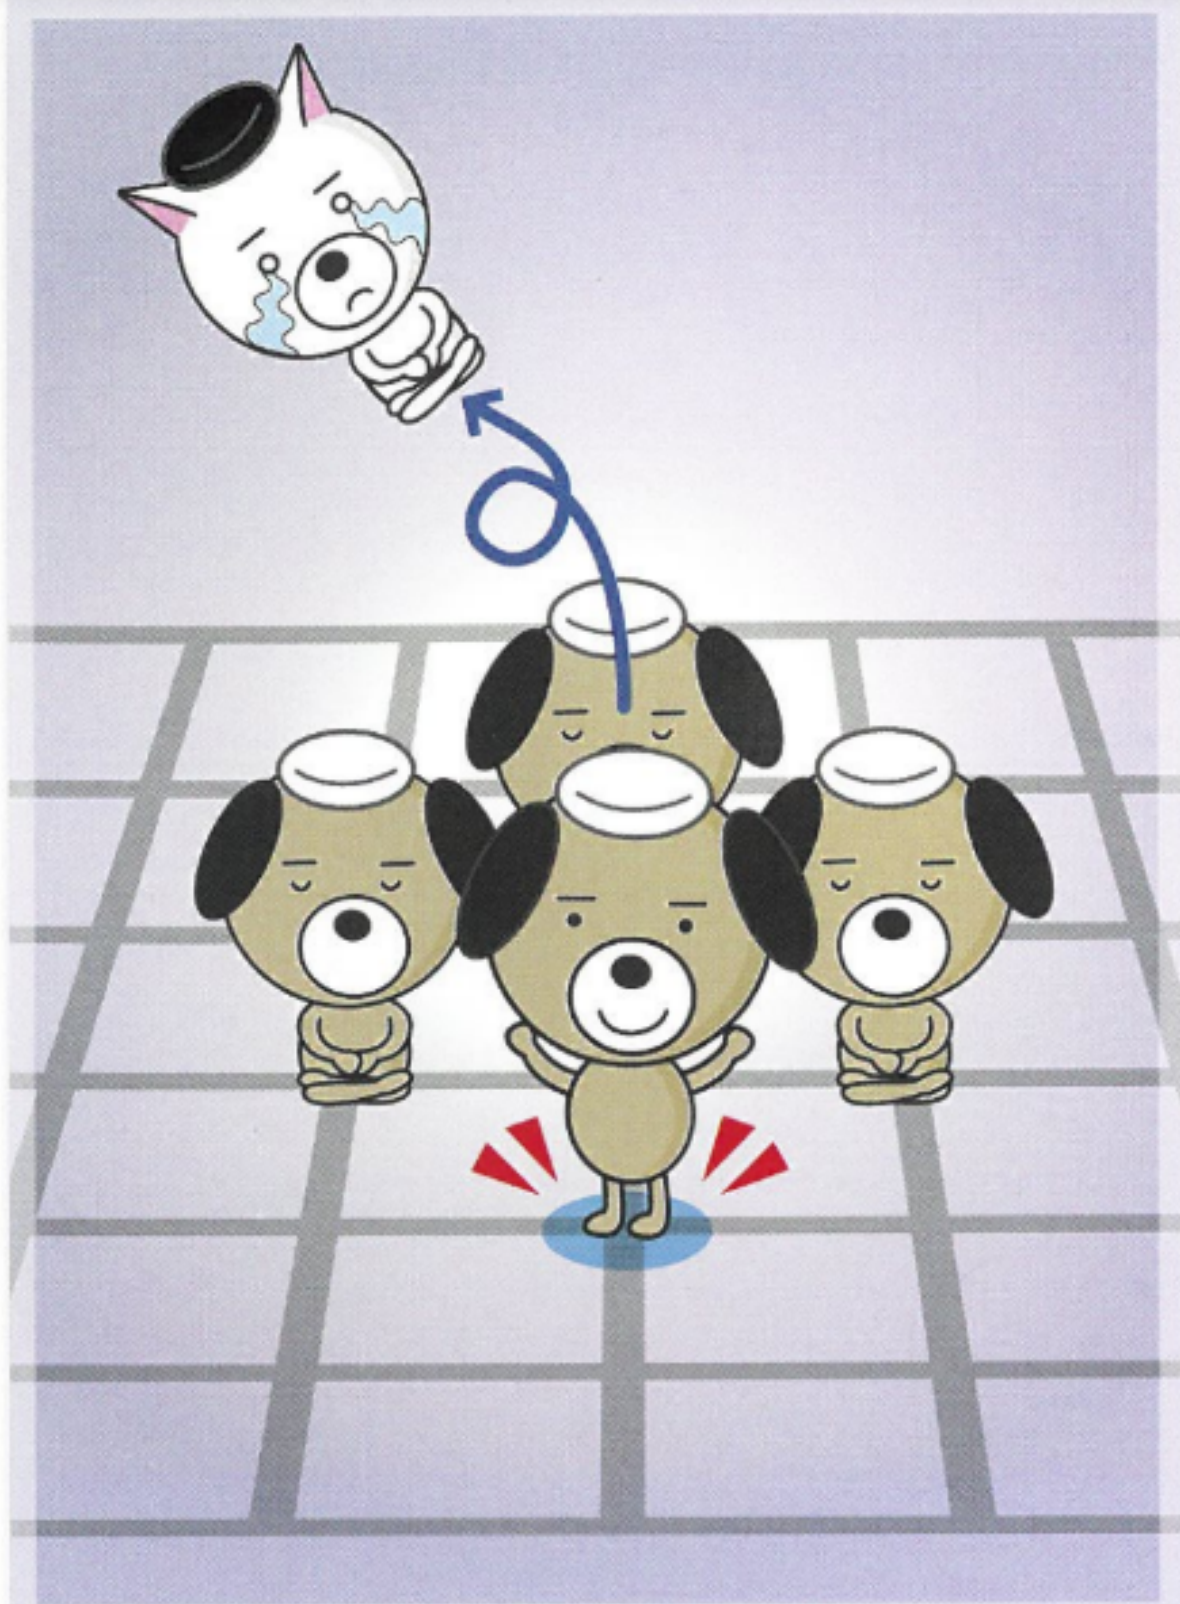

Každé ráno v něm budeš také řešit
úlohy nebo-li tsumego.

A na závěr získáš od svého lektora
zhodnocení za celou dobu soustředění.

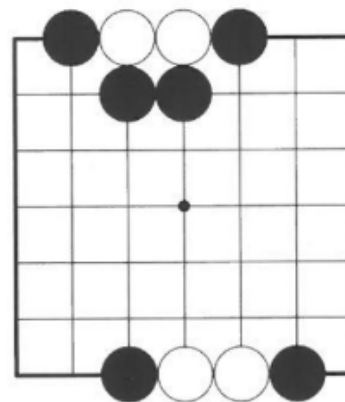

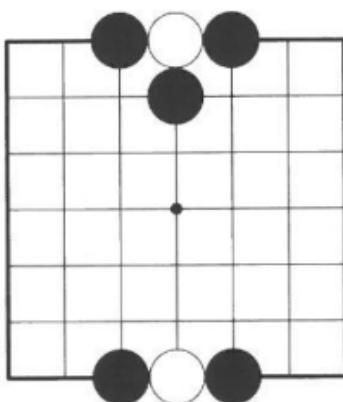

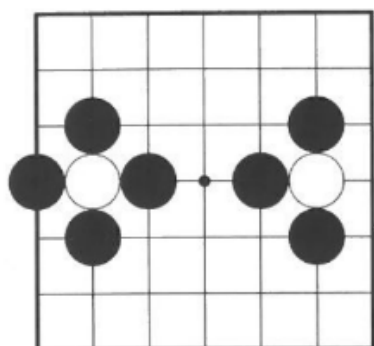

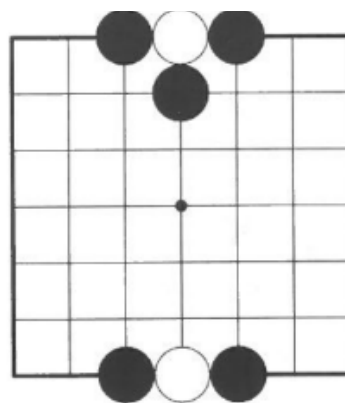

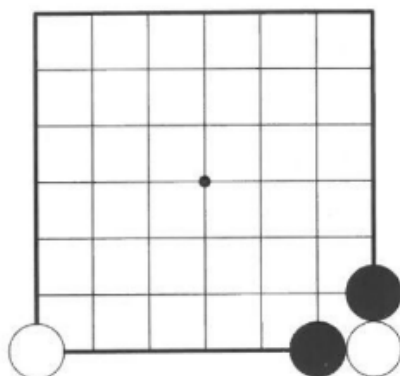

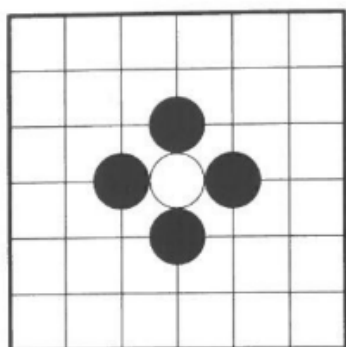

Snaž se tedy co nejvíce do lekcí
zapojovat a vyřešit co nejvíce úloh
správně.

Protože pro Ty nejšikovnější je na
konci připravena odměna!

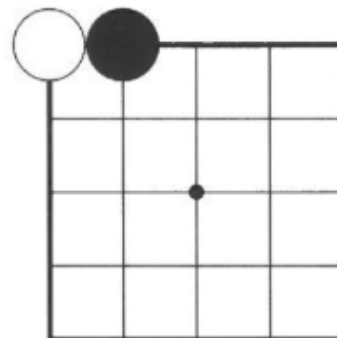

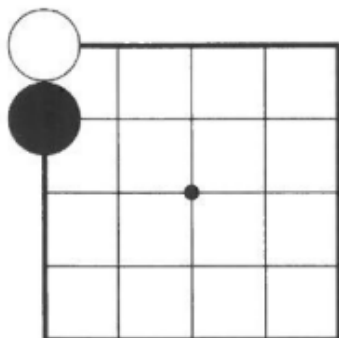

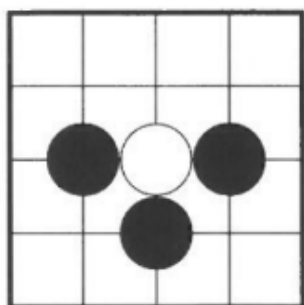

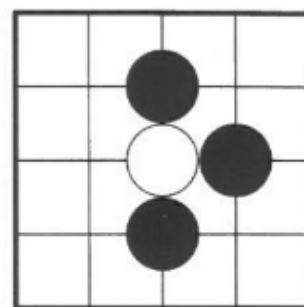

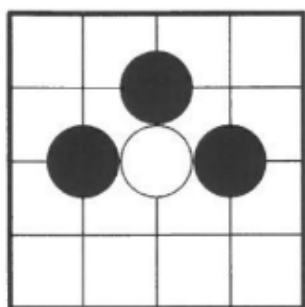

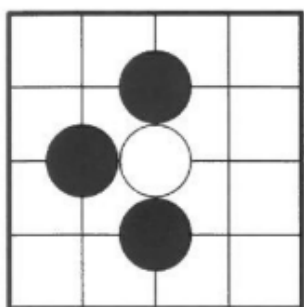

Obklíčený kámen ze všech stran
se stává tvým zajatcem.

Najdi skupinku zajatých kamenů.

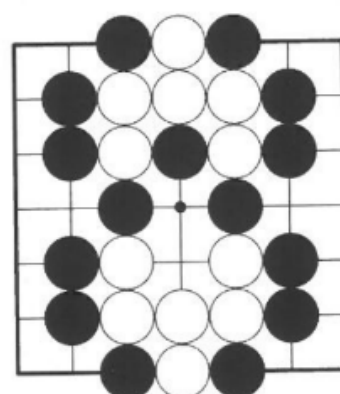

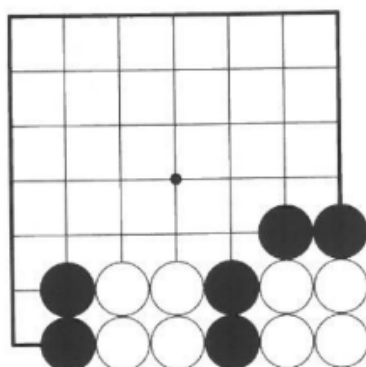

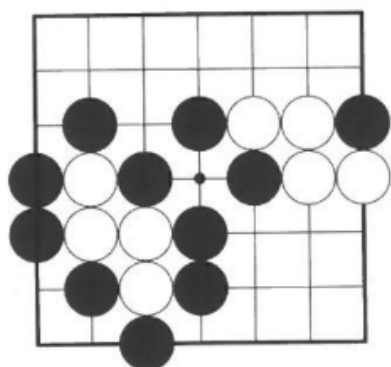

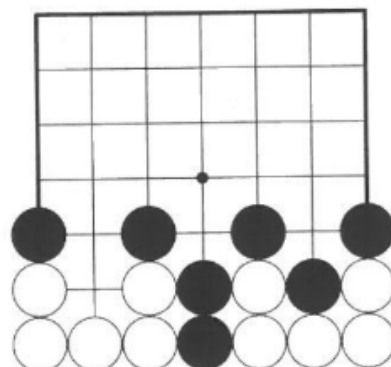

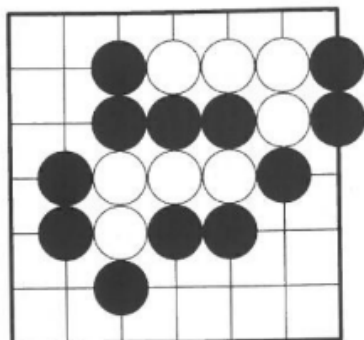

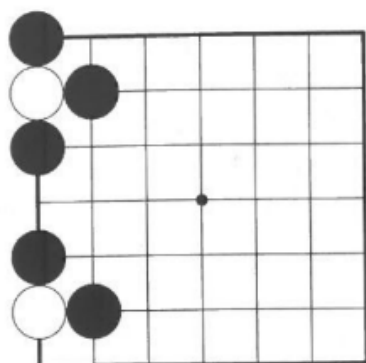

Které kameny může černý zajmout ?

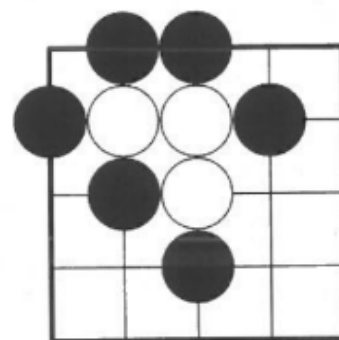

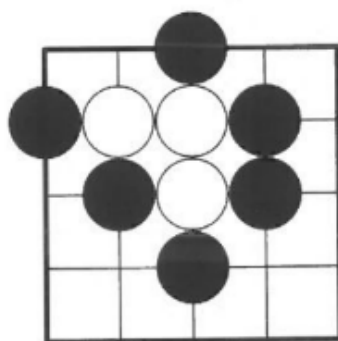

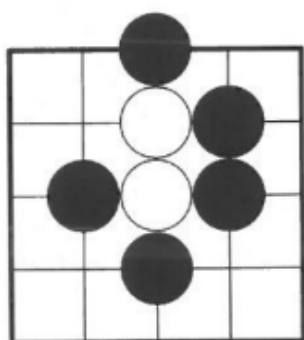

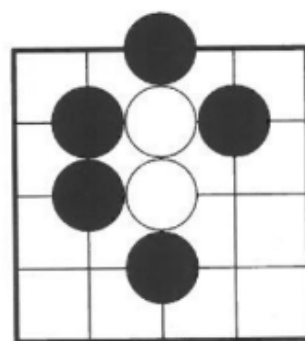

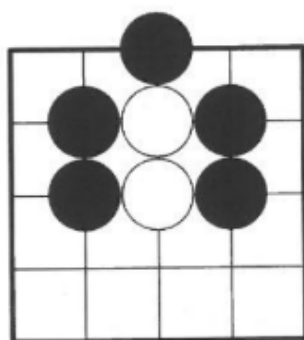

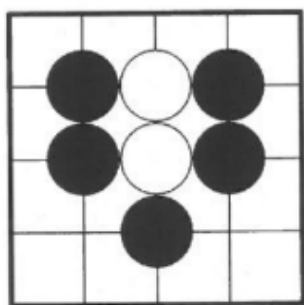

Volné linky vedle kamene jsou jeho
svobody.
